Entrance fees for guided tours of the Stockholm City Hall 2022

The City Hall of Stockholm is the office for the politicians and civil servants of Stockholm. To visit the halls, visitors join a guided tour, either with the City Hall's own guides or with local guides with a license for the City Hall.

Practical information

During the current conditions, the opening hours, entrances and exits as well as the maximum number of visitors may change during the course of the year. When booking a private tour, information about the current maximum number of visitors will be provided. Local guides are obliged to call ahead of a visit for updated information.

There may be some delay at the entrance, if many groups arrive simultaneously.

Local guides announce their arrival in advance, with date, number of visitors and an approximate time of day.

If you have questions, please call +46 8 508 29 058 or send an e-mail to cityhalltours@stockholm.se

Cancellation policy

For cancellations later than 24 hrs prior to the visit and for no shows, the minimum fee will be charged.
